Increased Security

Deactivation of Users

Email Notification

Users will be sent an email when 7 days away from 365 days of no activity. If user does not login, account will be deactivated.

Deactivated Status

User will not be able to login. If attempt to login, will be prompted to contact National Center or administrator to re-activate the account.

Deactivation Does Not Mean Deletion

Deactivation is an additional safeguard for accounts that have shown no activity in 365 days.

Demonstration

Show and Tell

Resources

Supports for Version 7.0

Version 7.0 Resources
