**ABOUT THE NATIONAL
CENTER**

Guidance for Excellence in Fatality Review

Multidisciplinary, Multifaceted, Resources for Fatality Review

TOPIC SPECIFIC

Tips for investigating, reviewing, and preventing child deaths.

PROCESS SUPPORT

Best practices in multidisciplinary teams.

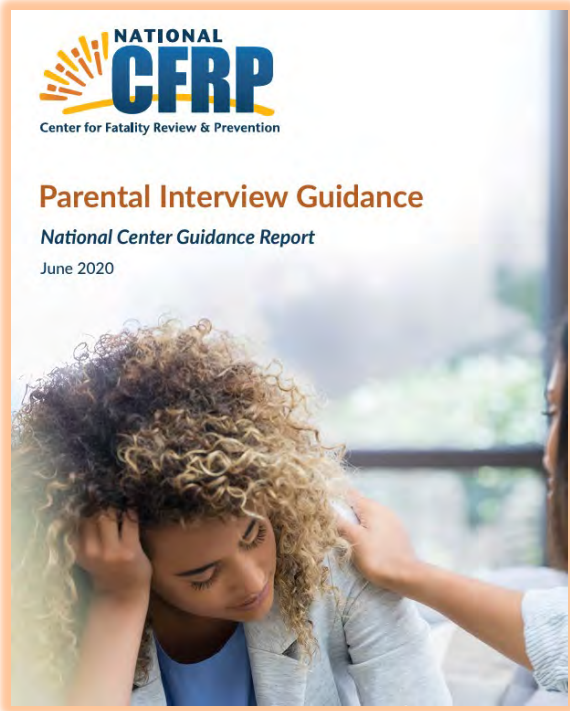

Partnership

Resources to engage a variety of partners in all aspects of fatality review.

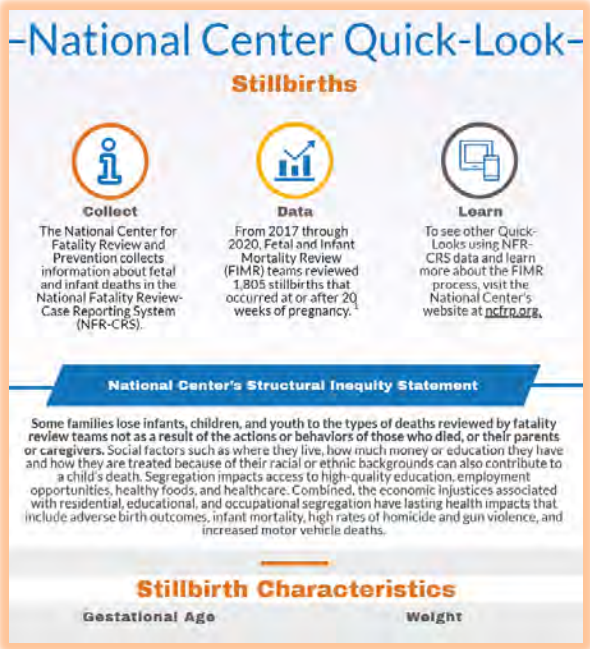

National Center Resources

Staff Favorites

Parental Interview Guidance

“Useful and relevant to both FIMR and CDR, as more CDR teams are exploring key informant interviews and inclusion of family voices.”

Any Quick-Look!

“They highlight that data entered into the Case Reporting System are used to examine a wide range of topics.”

Equity in Fatality Review: Child and Youth Suicide

“A great new tool to help conduct equitable reviews of child and youth suicide deaths.”

Celebrating Successes

New Year Reflections

- As we move forward in this new year, what is something you are proud of?
 - Nothing is too big or small! Examples could include closing a data cohort, building the capacity of your team, or implementing a recommendation.
